v.

ISIS d/b/a Islamic State
Iraq Syria a/k/a ISIL;
Abu BaKR AL-Baghdadi,
Defendants

Emergency Motion for Preliminary Injunction
Temporary Restraining order, TRO
28 USC 1331

Comes Now, the plaintiff, Richard Albright moves this Honorable court to Issue a Restraining order against ISIS aka ISIL and its Leader of a defacto organization Abu Bakr AL-Baghdadi in Detroit and Nationwide.

Plaintiff states the Following:

Complaint:

I am an American citizen currently incarcerated at SCI Benner Twp in Bellefonte, Pa. I have been following the ongoing conflict in the middle east and its world wide consequences as a result of said conflict. Its painfully clear to me that the strong hold ISIS currently has over that part of the world will sooner or later spill over to this part of the world. Its also clear to me that whats happening in the middle east could be what the Bible refers to as the beginning of the Holy war that takes place prior to the Final battle of Armageddon.

It is my belief as a christian that this world including the United States of America, but not limited to are in grave danger. (Revelations 19:19) says, "And I saw the beast and the kings of the earth, and their armies gathered together to make war against Him who sat on the horse, and against His army. It is my opinion after great study of the Bible and the book of Revelations, that Mr. Abu Bakr Al-Baghdadi the leader of the group called ISIS not only thinks he is waging a Holy war against the world, but even worse, believes it. I believe there is nothing this man will not do to accomplish his goal, which in my opinion is victory and control over the entire world. I think Mr. Al-Baghdadi has proven my point for me by his most recent actions. The killing of Egyptians that proffessed to be Christians is even further proff that this man believes he is fighting a Holy war. Not to take away from his other recent victems like the young women who gave her life to promote peace and the journalist who died reporting the many injustices that are occurring in the Middle east at this very moment.

How this all affects Americans and why I am requesting this Preliminary Injunction is simple, Mr Al-Baghdadi has called for Muslim's every where to rise up against their enemies, which in Mr. Al-Baghdadi's mind is any one who doe's not follow his distorted beliefs and values, Americans included. This is a call for violence, death to any and all who opposse him at home or abroad. That brings the fight potentially to every Americans front door. The only question is what are we going to do about it. Are we to just hope and pray they skip us and go on to our neighbors house.

Are we to pretend that what the president
Says is true that were not all caught in the grips of a
Holy war that ISIS is not a group of Mulsims, but simply
terriost with nothing better do to than Kill innocent Men, Woman.
and Children, Sorry I dont by it, I think the President knows
exactly whats going on here, Hes just to afraid to admitt it, which
by the way. He should be. Its time to make sure these So
called Muslims dont get the upper hand in this country to.

Michigan has one of the largest populations
of Muslims in the country and poses the greatest danger as a
jumping off point For ISIS's violence and should be considered a
Hot zone For Future attacks and acts of violence against Americans.
I respectfully request this Honorable court to grant this Motion
in the intrest of preserving our Freedoms and rights as
American Citizens, please do not delay judgement in this matter
For time may be running out. Anyone Found to be United with
Abu Bakr Al-Baghdadi should be considered an enemy of this
Country as well as each individual State there in and should
be treated as such. Its this Courts responsibility to protect
and preserve our way of life, by any Means Necessary.

One last thing. ISIS = 666. 1+S=6 S+1=6 I+S=6
What does this mean to you? Even better, what does it mean to
ABU BAKR AL-BAGHDADI?

2/8/15 JLB

Respectfully,
Richard Albright
